"And what shall we say the Kingdom of God is like... it is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of garden plants with such big branches that the birds of the air can perch in its shade."

Kim's Story

If you would have told me five years ago that I would own a florist, a tea room and be a widow, I would not have believed you. This is not the plan I had for myself. I would still be working at Randall's and kissing the love of my life good night. But God has a unique plan and purpose for us all.

There have been things in my life that the enemy designed to destroy me. When my husband Bruce was killed, I thought my life was over. But that's where my Heavenly Father girded me with His Love, and through His Word, gave me the strength to go on. He gave me the strength to look for His plan for my life and the wisdom to take leaps of faith and try my best to do what He wants me to do.

I know that God is with me in everything I do. He has given me a wonderful gift of being able to design flowers, and with this gift He has also given me many opportunities to meet wonderful people, just like you, to share His Love.

I never saw myself as a strong person. I didn't have to. Bruce was my strength and his strength came from God. He was my 'middle man'. Sometimes in life we need a middle man to help us realize where our true strength comes from.

The Mustard Seed is another leap of faith in my life. I waited patiently on the Lord as He put many people in my life (to whom I am eternally grateful) to help make this a reality. Two years ago, it started out as a tiny 'mustard seed'—a dream of a tea room where people could come and, like myself, realize the plan that God has for their life.

I have three prayers for you today, my friend. 1) That you will realize the plan God has for you, 2) That if you are at a time in your life where you need a 'middle man', my staff and my self can be that middle man for you, and 3) That you will take that tiny seed of faith which God has placed in all of us and allow it to grow into a strong tree for the people of your life to take refuge under its beautiful branches.

Your Friend & Servant,
Kim Boyd

"For I know the plans I have for you," declares the Lord,

plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart."

Jeremiah
29:11

And the Lord said, "If you have faith as small as a mustard seed, you can say to this mulberry tree, 'Be uprooted and be planted into the sea', and it will obey you."

Luke 17:6
